

Welcome to Members' Regulatory Day 2026

The evolving global regulatory landscape: updates and outlook

We're delighted to welcome you to Leatherhead Food Research and hope you enjoy the day.

Today's programme explores key regulatory developments and emerging trends across the UK, EU, US and global markets. Alongside expert presentations, you'll have the opportunity to participate in five interactive sessions covering EU Member State regulatory hotspots, global packaging developments beyond the EU and US, Leatherhead's 2027 membership priorities, EU nutrition policy, and the future direction of nutrition regulation worldwide.

We hope you'll take the opportunity to connect with our team and fellow industry professionals throughout the day.

Wireless internet is available throughout the venue, with login details provided on arrival. We'd also be delighted if you'd share your experience on LinkedIn using **@leatherheadfood**, **#leatherheadmembers** and **#leatherheadmembersday**.

If you require a taxi at the end of the day, we recommend booking in advance. Addison Lee (+44 (0)20 7387 8888) and Uber both operate locally and can be booked directly.

If you have any questions about the event, your membership or our services, please speak to a member of the Leatherhead team.

We hope you enjoy the day and make the most of the opportunities to learn, share ideas and build new connections.

Yours sincerely

Daryl Thomas

Managing Director
